Lyrics: Straight Line Song by Keith Urban

Intro: Instrumental

Part A:

Why we livin' every day in circles
Just burnin' out, burnin' out
I don't wanna just go through the motions
Goin' 'round and 'round It's takin' us down

Part B: Verse 1

I ain't buyin' this life's gotta be such a mother
'Cause we kinda got it all when we got each other
You and me used to be like a year-round summer
Let's go back Oh, hit the gas

Part C: Chorus

In a straight line, baby Hey, whatcha say we're
never gonna look back now? Can't you
see the sun shinin'? You and me drivin'
out from under this dark cloud
wanna know what they mean When they say life's a
dream
Shouldn't we be dreamin' it too?
In a straight line, baby Startin' now, takin' a
straight line Straight into forever with
you Yeah, with you

Intro: Instrumental

Part A:

We're finally leaving Hotel California
Couple runaways in a getaway car
Remember when this kinda high was us, babe?
I wanna feel that way I wanna feel that way now

Part B: Verse 2

Let's trade the past in the fading rearview (echo)
For the good life comin' in the windshield clear view
Anywhere, girl, you wanna disappear to (echo)
I wanna go there too wanna go there with you, yeah

Part C: Chorus

In a straight line, baby Hey, whatcha say we're
never gonna look back now? Can't you
see the sun shinin'? You and me drivin'
out from under this dark cloud
wanna know what they mean When they say life's a
dream
Shouldn't we be dreamin' it too?
In a straight line, baby Startin' now, takin' a
straight line Straight into forever with
you Yeah, with you
